gRPC

Hands-on Building and Debugging Services

Jakob Buchgraber (@buchgr) & Jan Tattermusch (@jtattermusch)
CloudNativeCon & Kubecon Berlin, Mar 2017
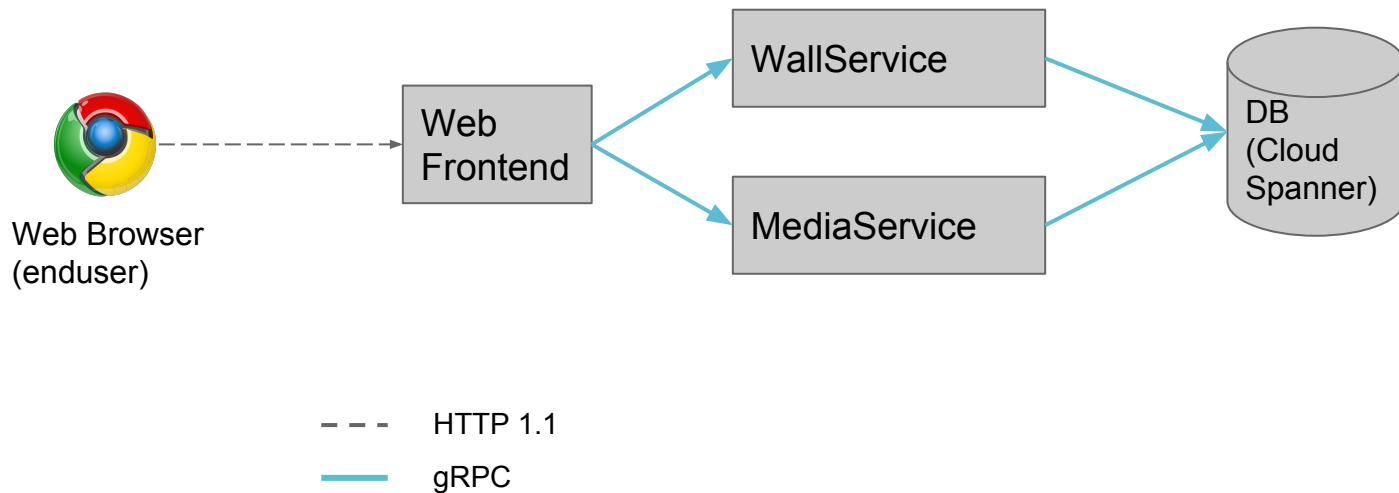

Google Cloud Platform

Agenda

- Design
- Build
- Debug (a little bit)
- Extend

Google Cloud Platform

Exchange-O-Gram!

@grpcio

Summary

✔   Design microservices with API-first approach

✔   Build multi-language, multi-platform apps

✔   Extend APIs anytime you want

✔   Efficiency without extra complexity

✔   Secure

Google Cloud Platform
